The PURPOSE of this event is to create **teams of disciple makers** in cities across Europe and **establish a network** for peer and adaptive learning in order to **effectively sustain and accelerate multiplication** of teams, groups and gatherings, **for reaching our cities and urban communities across Europe.**

This event will consist of 2 trainings:

- Disciple-Making training: 5-6 May - learn the basics of how to find and make new disciples, empower them to lead, and release them to multiply
- Accelerate Mentors training*: 7-8 May - learn how to launch, equip, and multiply teams of disciple-makers

*(you must attend the Disciple-Making training in order to attend the Accelerate Mentors training)

Airport Arrival: on 4 May
